Dear Engr. Amelia Natividad,

Good day! This is to certify that I, Ma. Joie G. Sququillo, parent of Ma. Cris Fedelyn G. Sauquillo, a bonafide student of Emilio Aguinaldo College – Cavite grant her permission to voluntarily extend her internship with additional 260 hours as BPA Automation Developer intern at BL Asia Support Services Inc.

I believe that it is a great opportunity for her to gain more comprehensive hands-on experience and develop more essential skills required for her future career.

I am confident that the company prioritizes her education, ensuring that her studies will not be compromised.

Regards,

Ma. Joie G. Sauquillo
